

## REMARKS

The Notice of Non-Compliant Amendment dated July 9, 2007, stated that the Preliminary Amendment of May 31, 2007 was non-compliant because claim 64 did not have a status identifier. In response, Applicants are submitting a corrected listing of claims. In the listing of claims set forth above, claim 64 includes the status identifier "new". Applicants request that the listing of claims set forth above be used in place of the listing included with the Preliminary Amendment.

Applicants request examination of the present application. It is believed no fees are due. However, in the event that any fees are required for the filing of this document, the Commissioner is authorized to charge our Deposit Account No. 13-0017 in the name of McAndrews, Held & Malloy, Ltd.

Respectfully submitted
